SUMMER CAMP

A Sensational Summer Awaits!

Welcome to the Saint Michael Summer Program

As a parent living in the Lee County area, you are fortunate to have the choice of several summer programs and camps. With these choices comes the responsibility of selecting the one that best fits the needs of your child, as well as your own schedule. At Saint Michael, you will find summer programs that are **fun** and **enriching**. We want your child to enjoy the time spent with us, and to grow through it.

Each of the past twenty summers we have requested feedback from parents on the programs that their child attended. Families returned over 1000 evaluation forms, and the responses were very positive:

- **12 % rated the program attended "good"**
- **88 % rated the program attended "outstanding"**
- **over 92 % of those responding said they would recommend our program to friends, neighbors, and co-workers.**

We invite you to see how a summer at Saint Michael can make a difference in your child's life.

If you have any questions about our program, please email sue.hampel@gsmlcs.org or call (939-1218) for further information. We look forward to serving you this summer.
